

IN THE FAIR WORK COMMISSION

Matter No: C2019/5255

Section 157 proceeding – Undergraduate review

SUBMISSION OF UNITED VOICE

1. This submission is made pursuant to the Directions of the Fair Work Commission ('the Commission') as outlined in the Statement dated 27 August 2019 ('the Statement').¹
2. United Voice supports the provisional view of the Commission, as expressed in paragraph [13] of the Statement, that modern awards with classifications requiring undergraduate qualifications should be referred to a separate Full Bench for review.
3. We agree that the review should only commence once the IEU's work value application to vary the *Educational Services (Teachers) Award 2010* has been determined.
4. We have reviewed the list of awards at Attachment A and this list appears to be accurate in respect of awards that United Voice has an interest in.
5. With regards to the priority group, we have a significant interest in the *Children's Services Award 2010* and the *Social, Community, Home Care and Disability Services Industry Award 2010*, and we support retaining these awards within the priority group.
6. We otherwise support the submissions of the Australian Council of Trade Unions (ACTU).
