Subject: National Farmers Federation - Question on Notice

Good morning,

We would just like to reach out to confirm that the National Farmers Federation (**NFF**) are aware of the question on notice from the Expert Panel regarding our initial submissions. We have prepared a substantive response, however, understand that we are now running overtime, with responses being due by Friday 6 May 2022.

If the Commission could grant us an extension until Monday 16 May to provide a response it would be greatly appreciated. We are committed to working with the Commission to provide relevant information and responses from the perspective of agriculture. We apologise for any inconvenience the delays may cause.

Kind regards,

Nathan Pennetta
